

Calling on all of Brantford and surrounding area's elite football players!

Join the Brantford Bisons Varsity Football team as we are set to embark on our 2011-2012 Ontario Varsity football season. For those who are not familiar with our organization, we provide the best possible competition at this level of your careers. We draw athletes from Woodstock, Simcoe, Waterford, Hagersville, Caledonia & in between.

This year, the league consists of 23 teams! City's extend from Essex(Windsor) to far up north Sault Ste. Marie and in between.

If you are looking to play university football in Canada and the United States, this league offers the type of exposure you require. Scouts come from all over Ontario, Quebec, and north eastern states to find the highest caliber of players.

Players like Nick Kaczur OL (New England Patriots), Andy Fantuz WR (Chicago Bears/Saskatchewan Roughriders), OJ Atogue FS (Washington Redskins) benefited immensely from the exposure of this league. This past season our league has received media coverage from Sportsnet The Fan 590.

<http://www.ovflontario.com/grossman.php> see the link for details on the weekly coverage every Sunday morning on The Fan 590 of our league. Our games are also broadcasted on Rogers TV, home and away games. This gives players access to professionally recorded game tape, and exposure to fans and scouts unable to attend games.

The recent success of football programs like BCI, St. Johns, North Park, Pauline Johnson, and Paris District, has Brantford excited for Varsity Football again. Our city has even been represented recently with provincial success in the past few years ie. Assumption Lions Seniors making it to Western Bowl Semi-Finals this year and the Championship in 2010, and the Lions Junior team winning the Metro Bowl Junior Football Championships of Ontario, there is no reason why this same success cannot be attained by the Brantford Bisons Varsity Program. This is a City Rep team, and it warrants only the best football players this city has to offer!

Collectively, I believe that not only can we be successful this year, but that we can shock this entire league with an elite football team.

In closing we are holding a Team conference January 19th at the Brantford Armoury on 18 Brant Ave at 7 pm. This meeting is being held for all returning and eligible players for the Varsity program (Born in the years of 1993,1994,1995). We also extend our welcome to any Junior Varsity players to attend, as we are capable of drafting players from this level, especially those who have the talent to be called up.

It is no secret that our program in the past few seasons hasn't had as much success as we would have liked in the win-loss column, we have however had success in individual player progress, and many players being scouted from numerous Universities. The real reason for our lack of success has been not fielding a team of our best players in the city.

We as a coaching staff, and many coaches in the city are excited for the opportunity that we have, an opportunity to turn success of individual High School Players, into success on the grandest stage of Rep Provincial Football.

Please R.S.V.P. if you can join us at our conference as seating is limited. Conference will be available online and forwarded to our post conference mailing list for those who cannot attend in person. Please send a short email request, so that you may be added to that post conference mailing list

"Opportunity knocks at the strangest times, It's not the time that matters But how you answer the door." Steve/Gray

With Great Excitement
